

CPA is Property Tax Relief

"Rock County receives \$517,040 in CPA, this money results in a direct "buy down" of our levy by 8%. This money is used as general property tax relief for our taxpayers and helps defray the cost of mandated services."

- Rock County

"We rely on CPA as an important revenue source to fund our operations. It makes a big difference for us --helping provide state-mandated services, and keeping local property taxes down."

-Dakota County

"Counties are expected to offer efficient, fair and consistent services to tax payers. Over the last 10 years, Marshall County's aid fluctuated from \$1.2 million to \$133,000. Without consistency in CPA, it's not possible to provide consistency for taxpayers."
